鲁班尺  
Luban ruler

5D 线控扶手的尺寸，结合工匠传奇祖师爷鲁班的风水阳尺，精心演造，以进益，迎福，富贵，宝库六气的大吉数据为基础，全乎风水，顺应天意，吸收宇宙伟大的能量，助您得心应手。

The size of the 5D armrest combined the Chinese Feng Shui Ruler of Lu Ban, (507 BC—444 BC) who was a Chinese carpenter, engineer and inventor during the Zhou Dynasty. He is revered as the Chinese god (patron) of builders and contractors. These features of earnings, six directions, embrace happiness, treasury, riches and honor will bring good fortune to the people and business.

5D 线控扶手具有前后调节，宽窄调节，旋转调节，高低调节，拨片功能操控等功能。整体设计前圆后方，植入了前圆后方的天地正气。圆，代表适应万物，有柔和圆满之意，快速随变之优；方，有工整厚重之意，万事稳重之德，体现了刚与柔的完美结合，将天地之灵气，万物乾坤，集于掌控之中，掌控未来。

The circle, on behalf of the adaptation of all things, means soft completeness, quickly with the change of excellence. Square means the elegance and massiveness. A perfect combination of rigidity and flexibility. The whole 5D armrests face adopts a ergonomic Waterfall Arc Design of the arc front and the square rear.

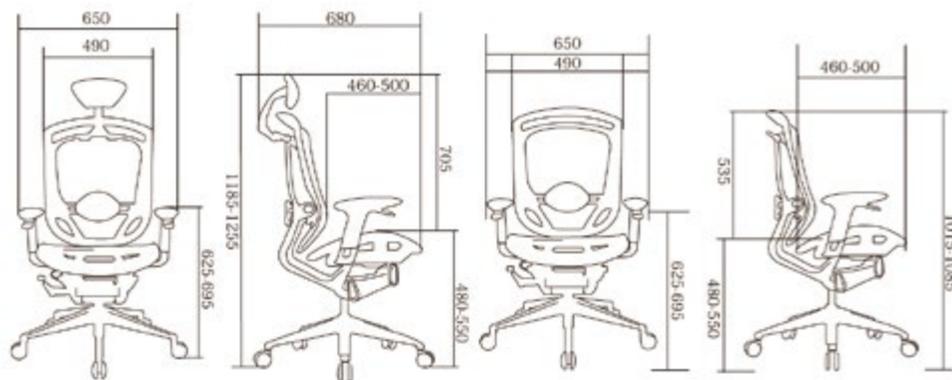

5D 线控扶手以纳食四方神兽貔貅的大嘴吸财设计，象征四面八方招财进宝。

Pixiu (Chinese: 貔貅) is a Chinese mythical hybrid creature, and considered a powerful protector of practitioners of Feng Shui. It resembles a strong, winged lion. Pixiu is an earth and sea variation, particularly an influential and auspicious creature for wealth. It is said to have a voracious appetite towards only gold, silver and jewels. Therefore, traditionally to the Chinese, Pixiu have always been regarded as auspicious creatures that possessed mystical powers capable of drawing wealth from all directions. The front part of the 5D armrest is designed according to the Pi Xiu's mouth.
